

Co-Curricular

PROGRAMME

Michaelmas Term

2025

Welcome

to the Michaelmas Term Co-Curricular Clubs Booklet!

We are thrilled that we can once again offer a wide range of co-curricular opportunities at QCPS. Please use this booklet to select any activities that your daughter would like to take part in and sign up for them via SchoolBase.

All activities will have a **minimum enrolment number** to ensure the activity is a viable option. As such, the information contained within this booklet is **subject to change** and any updates will be advised in weekly communications to parents.

We will try wherever possible to honour your daughter's first choice of activity, but in exceptional cases, we may contact you to ask you to select a second choice.

Pre-Prep (Reception, Form I and Form II) girls will be supervised before clubs start and the school will provide them with snacks. Please be reminded that we are unable to allow the girls to bring snacks from home. Pupils who attend Twilight and Lioness clubs will also be provided with snacks.

If you have any questions about the activities, please do not hesitate to contact Elina Dina at edina@qcps.org.uk.

With very best wishes,

Elina Dina **Co-Curricular Coordinator**

Wraparound Care

We understand the importance of before and after school provision for busy and working parents, which is why we provide Wraparound Care for all our girls from 7:30am each morning (Breakfast Club) until 6:00pm Monday to Thursday (Twilight Club). Our Wraparound Care facility is operated by QCPS staff, which allows close liaison with Form Teachers and parents. A programme of varied activities ensures girls attending our Wraparound Care sessions can relax and enjoy some free time before and after school. Our breakfast menu reflects our healthy eating policy, and all dishes are freshly prepared daily on-site.

Breakfast Club or Twilight Club are available on a regular or ad-hoc basis. To book a Twilight Club, please contact Elina Dina at edina@qcps.org.uk. Please note that the Twilight Club dismissal door is 61 Portland Place.

Pre-Prep Cub clubs run from 3:20-3:55pm and Prep Cub clubs run from 3:30-4:00pm. Lioness clubs are run by QCPS staff members and external providers 4:00-5:00pm and incur a fee. Breakfast Club and Twilight Club are also charged. Please be kindly reminded that Twilight Club is charged in increments of 30 minutes to enable us to make our prices fair for all.

Fencing

Where: Gym	Days: Thu	When: 7.30-8.30am	Cost: £180/10 sessions
---------------	--------------	----------------------	---------------------------

At Fencing Club, classes begin with students mastering the fencing fundamentals, before progressing to a deeper understanding of the sport tactically, technically, and competitively. This includes the “en-garde” position and fencing steps, attacking with a lunge and basic parries. The sessions then evolve, with students learning tactics, compound actions and how to compete amongst classmates. The sessions include a variety of games and sparring activities. Fencing Club helps pupils not only become faster, stronger and more agile, but also become more tactical and perceptive, as they must think for themselves in an individual sport.

Young Artists Club

Where: Classrooms	Days: Mon	When: 4.00-5.00pm	Cost: £245/10 sessions
----------------------	--------------	----------------------	---------------------------

Would you like to develop your drawing and painting skills? Or perhaps you want to enhance your creativity and learn to see the world in new ways? At QCPS's new Young Artists Club, we will explore the skills needed to draw from observation using a range of materials such as sketching pencils, charcoal, pens and pastels. Focusing initially on drawing and ways of seeing, we will explore concepts such as negative space, light and shadow, reflections, angles and proportion. We will then explore and experiment with paint, developing our knowledge and confidence using the seven elements of art - line, tone, shape, form, texture, colour and space. As we begin to observe the world around us in new ways, we will create a variety of interesting and fun artwork along the way!

Little Voices Choir

----------------------	--------------	----------------------	---------------------------

Mix & Munch are passionate about inspiring children to explore the wonderful world of food and flavours. Our classes focus on growing confidence & co-operation, encouraging teamwork and are fun and Foodabulous! We start each class with trying to guess the secret ingredient, cook and then clear-up together. We also find the country we "head to" each week on a globe and talk about its location, accessibility, climate and food preferences. Our ethos is to encourage children to learn and appreciate other cultures through food. There are lots of recipes for little and big cooks on our website www.mixandmunch.com or follow us on Instagram at [mix_and_munch_cooks](#) to know more!

Little Engineers

Where: Classrooms	Days: Tue	When: 4.00-5.00pm	Cost: £150/10 sessions
----------------------	--------------	----------------------	---------------------------

Little Hands London encourages creativity and innovation through hands-on engineering projects. We promote interactive learning, where children learn new concepts while engaging in fun activities using high-quality resources and materials. Children will discover different aspects of engineering, such as civil and structural, where they will build suspension bridges, buildings, towers, and much more! We will also create mechanical engineering projects to learn about simple machines such as levers and wheels, making catapults, cars, pneumatics, and more. We will explore electrical engineering with robotics, boats, fibre optic lamps, to name a few. All of the projects children work on will involve elements of woodworking, will focus on innovation, and will incorporate advanced technology. We will set challenges for children and hold competitions within the group to spark excitement and curiosity. Our activities encourage children to think outside the box and become confident pioneers of the future!
