Important Information

All activities will have a minimum enrolment number to ensure the activity is a viable option. As such, the information contained within this booklet is subject to change and any updates will be advised in weekly communications to parents.

Pre-Prep (Reception, Form I and Form II) girls will be supervised before clubs start and the school will provide them with snacks. **Please be reminded that we are unable to allow the girls to bring snacks from home.**

Registration

Please register through SchoolBase and refer to the Parent Portal Guide for support.

Opens: Monday 16th March at 9.00am

Closes: Monday 23rd March 9.00am

Summer Term Clubs

Breakfast Club

Start: Tuesday 15th April

End: Friday 3rd July

Twilight Club

Start: Tuesday 15th April

End: Thursday 2nd July

Cub/Lioness Extra Curricular Activities

Start: Monday 20th April

Cub Club End: Thursday 25th June

Lioness Club End: Friday 26th June

If you have any questions about the activities, please do not hesitate to contact Elina Dina at edina@qcps.org.uk

Breakfast, Prep, and Twilight Club

Our Wraparound Care facility is operated by QCPS staff, which allows close liaison with Form Teachers and parents. A programme of varied activities ensures girls attending our Wraparound Care sessions can relax and enjoy some free time before and after school.

Breakfast Club and Twilight Club are available on a regular or ad-hoc basis. To book a Twilight Club and breakfast club please email our office at office@qcps.org.uk. Please note that the Twilight Club dismissal door is 61 Portland Place.

Breakfast Club

Days: Monday - Friday

Time: 7.30am - 8.15am

Location: Libbet's

Open to all

Upon arrival please ring the bell on the Rosy Thompson gate located on the right side of Door 61.

The breakfast menu reflects our healthy eating policy, and all dishes are freshly prepared daily on-site.

Twilight Club

Days: Monday - Thursday

Time: 4.00pm - 6.00pm

Open to all

Upon pick-up please ring the Twilight phone number posted outside of Door 61.

Snacks are provided. Twilight Club is charged in increments of 30 minutes to enable us to make our prices fair for all.

Prep Club

Days: Monday - Thursday

Time: 3.30pm - 4.00pm

Open to FI - FVI

A quiet environment free of distractions in which to complete homework.

Morning Clubs

Wednesday	Thursday	Friday
Cheer Junior Squad Forms: III - VI Gym (7:30am - 8:30am)	Fencing Forms: II - VI Gym (7:30am - 8:30am)	Boxing Forms: III - VI Gym (7:30am - 8:15am)

Please note that termly charges apply to these club.

Cheer Junior Squad

Our mission at London Dance and Cheer Academy is to bring the joy of cheerleading to the local community, empower young people with confidence and bring grass root cheerleading to the forefront of school sport. Our passion is to improve every student's confidence and self-belief by working on their strengths and coaching them to reach their potential both as individuals and team members. We include and incorporate every student's abilities to create a learning experience that enhances everybody's talents. Everything learnt within an LDCA Cheerleading class focuses on transferrable life skills such as communication, trust, problem solving, teamwork, kindness and personal belief.

Fencing

At Fencing Club, classes begin with students mastering the fencing fundamentals, before progressing to a deeper understanding of the sport tactically, technically, and competitively. This includes the "en-garde" position and fencing steps, attacking with a lunge and basic parries. The sessions then evolve, with students learning tactics, compound actions and how to compete amongst classmates. The sessions include a variety of games and sparring activities. Fencing Club helps pupils not only become faster, stronger and more agile, but also become more tactical and perceptive, as they must think for themselves in an individual sport.

Boxing

Boxing Club offers the girls a safe place to learn the art of Boxing, including sportsmanship and discipline, so that they can discover their potential in this sport. This club is a supportive and inspiring environment for all young boxers of all levels to learn and grow as athletes and individuals.

Cub Clubs

Pre-Prep Cub clubs run from 3:20-3:55pm and Prep Cub clubs run from 3:30-4:00pm.

Cub Clubs - Monday

Cosmic Yoga

Cosmic Yoga Club invites the girls to unwind, stretch, and explore mindfulness through fun, story-based yoga sessions. Each week they will journey through imaginative adventures while learning calming breathing techniques, building strength and flexibility, and developing tools to support their wellbeing.

Greek Mythology

Step into the world of gods, heroes, and ancient legends! In this club, students will explore the fascinating stories of Greek mythology while learning some basics of the Greek language. Through fun activities, storytelling, and language games, they will uncover the roots of many modern words and gain insight into one of the most influential cultures in history.

Drama

Drama Club is a fun and creative program for students who love performing and want to build confidence on stage. No prior experience is needed, just enthusiasm and a willingness to participate! Through games, improvisation, and rehearsals, students will develop skills in expression, voice, and teamwork while preparing short scenes and performances. The club encourages creativity, collaboration, and self-confidence in a supportive environment.

Handwriting Practice

Handwriting Practice Club provides a focused space for the girls to improve their handwriting. Through guided exercises, they will work on letter formation, spacing, and overall clarity to help develop neat and confident writing.

Eco Warriors

Eco warriors is an exciting opportunity to explore how to help protect and care for our planet! We will focus on practical ways to reduce waste, save energy and care for nature, both in school and at home. Through planting sessions, creating posters and making useful items using recycled materials, our club will focus on making a positive difference to the environment.

11+ Skills Club

Exclusive to Form V girls, the 11+ Skills Club is meticulously designed to cultivate independence and bolster confidence in 11+ materials. Engage in purposeful activities that sharpen your skills, preparing you thoroughly for the challenges that lie ahead. Elevate your capabilities and stride confidently toward success.

Cub Clubs - Monday

Production Costumes

This club offers a fantastic opportunity for the girls to get creative and play an important part in bringing our summer production to life. They will help design and make costumes, learn new skills, and work together to support the show in a fun and hands on way.

Production Props

This club gives the girls a wonderful chance to get creative behind the scenes by helping to design and make the props for our summer production. They will work together to build imaginative, eye-catching items that help bring the story to life, all while learning new practical skills in a fun, hands on environment.

Cub Clubs - Tuesday

Mindful Colouring

Indulge in relaxation and unleash your creativity at the Mindfulness Colouring Club. Join us for a serene and enjoyable time where you can craft vibrant and imaginative creations using a delightful array of creative resources. Take a break from the hustle and bustle to unwind and engage in the soothing activity of mindful colouring.

Book Lovers Club

Take a break at the end of the day with Book Lovers Club. If you're a reading enthusiast, this club is your sanctuary. Immerse yourself in the world of books and unwind in the company of captivating stories. Let the magic of reading transport you to different realms and inspire your imagination!

French Club

Ignite your passion for language with our after-school French Speaking Club! Make the most of those precious after-school hours by immersing in the beauty of the French language and culture. Our club provides a dynamic and supportive environment for language learning through engaging activities, interactive games, and cultural explorations.

Portuguese

Join us as we explore the vibrant culture and language of Portugal and Brazil. Through fun activities, games, songs, and storytelling, the girls will learn to speak basic Portuguese, discover traditional foods, festivals, and explore the rich history of Portuguese-speaking countries. Suitable for beginners or fluent speakers, the Portuguese Club offers a friendly and interactive environment where the girls can practise speaking and listening in Portuguese while making new friends along the way!

Storytellers (Creative Writing)

Unleash your imagination and bring your stories to life! Whether you love writing fantasy, mystery, or personal tales, this creative writing club is the perfect space to explore your voice, share ideas, and grow as a writer. All levels welcome, just bring your creativity!

Cross Stitching

Discover the tranquillity and satisfaction of Cross Stitching at this relaxing club. Engage in a calming and fulfilling activity where you can learn the art of simple needlework. Follow a pattern or unleash your creativity to create unique designs, making this club a haven for those seeking a peaceful and artistic escape.

Cub Clubs - Wednesday

Water Play fun

Water Play Fun gives the girls the chance to enjoy purposeful water activities in the Little Corgis courtyard. They will explore, experiment, and play with water in a safe and engaging environment, perfect for developing coordination and cooperation while having fun.

Global Explorers

Global Explorers is a weekly club where children dive into the wonders of our world by learning about a different country each week. Using books, and fact files, they research key facts about each country's geography, culture, language, and traditions. Over time, they'll build an understanding of the continents and how countries differ and connect. Children will also explore festivals, foods, landmarks, and famous people from around the globe.

Just Dance

Are you ready to get your groove on? Grab your dancing shoes and join us on the dance floor for an interactive and energised session. The girls will have a chance to practise their dance moves whilst listening to their favourite songs. It is a great way to keep fit and have fun!

Our World

Ignite your daughter's curiosity about the world around us in Our World Club. Explore different countries, topics, and current events each week. This club is designed to broaden perspectives and foster a love for learning about the diverse and fascinating world we live in.

Digital Leaders

The Digital Leaders Club is all about tech, creativity and staying smart online! Join this club to explore, create and become confident digital leaders in a fun and safe digital world. The girls will have the opportunity to explore technology, develop digital skills, and learn how to stay safe online through discussions and hands-on activities.

Art Club

Embark on a creative journey inspired by renowned artists and the wonders of nature. Delve into diverse materials and techniques to craft your unique masterpieces. This immersive experience spans both 2D and 3D creations, allowing you to grasp and refine the art skills introduced in our classes.

Cub Clubs - Thursday

Lego Challenges

Ignite your imagination at the Lego Challenges Club! Whether constructing a Harry Potter tower or crafting an animal masterpiece, this club invites you to solve weekly fun challenges using Lego. Unleash your creativity, explore new ideas, and build exciting structures in a supportive and engaging environment.

Fitness Club

Calling all young champions! Join our Fitness Club for an after-school adventure of fun exercises, teamwork, and smiles! From playful games to lively activities, our club promotes active living in a positive and inclusive environment.

Aqua Beads

Let's get crafty with colourful beads and a splash of water! In Aqua Beads Club, kids can turn tiny beads into big creations, just place, spray, and watch the magic happen! Each week, we will make cool designs like animals, emojis, and fun patterns that you can take home and show off. It is super easy, super fun, and perfect for little hands that love to build and create. Come join the fun and make your own bead masterpieces!

Board games

Board Game Club is a fun and social space where students can relax, connect, and challenge their minds through a variety of classic and modern board games. From strategy games to quick-thinking challenges, the club promotes problem-solving, critical thinking, and teamwork in an enjoyable, low-pressure environment.

Archaeology

Get ready to dig into the past with our fun Archaeology Club! Each week, you will explore ancient worlds, uncover hidden treasures, and make your own awesome artifacts. With mini digs and cool history games, there is something for everyone. Grab your explorer hat... adventure awaits!

Lioness Clubs

Lioness clubs are run by QCPS staff members and external providers 4:00-5:00pm.

Please note that termly charges apply to these club.

Monday	Tuesday	Wednesday	Thursday
Mix & Munch - Younger FI - FIII	Clay Club FI - FIV	Code Cadets FI - FVI	Chess Beginners and Advanced FI - FVI
Story Club FIII - FVI	Digital Art and Animation FI - FIII	Rhythmic Gymnastics FI - FVI	Little House of Science FI - FIV
Young Artists FIII - FVI	Little Engineers FIV - FVI	Sewing Club FV - FVI	The QCPS Film Academy FIV - FVI
	Mix & Munch - Older FIV - FVI		

Lioness Clubs - Monday

Story Club

Led by professional actors, this club offers students a dynamic and engaging introduction to a wide range of writing styles, genres, and tones. Each week, students “spin the Wheel of Genres” to explore formats such as news reports, feature articles, reviews, opinion pieces, travel blogs, interviews, diary entries, comic scripts, podcast scripts, letters to the editor, satire, and speeches. Every session includes a short warm-up game (focusing on language, voice, or quick-fire thinking), a mini-lesson on the selected style, guided writing or a collaborative task, an optional mini “broadcast” or performance, and opportunities for peer feedback and reflection.

Young Artists Club

Would you like to develop your drawing and painting skills? Or perhaps you want to enhance your creativity and learn to see the world in new ways? At QCPS’s new Young Artists Club, we will explore the skills needed to draw from observation using a range of materials such as sketching pencils, charcoal, pens and pastels. Focusing initially on drawing and ways of seeing, we will explore concepts such as negative space, light and shadow, reflections, angles and proportion. We will then explore and experiment with paint, developing our knowledge and confidence using the seven elements of art - line, tone, shape, form, texture, colour and space. As we begin to observe the world around us in new ways, we will create a variety of interesting and fun artwork along the way!

Mix & Munch - Younger

We are excited to offer Mix & Munch cooking lessons to our younger learners this term. We are passionate about inspiring children to explore the wonderful world of food and flavours. Our classes focus on growing confidence and co-operation, encouraging teamwork and are fun and Foodabulous! We begin each class trying to guess the secret ingredient, cook and then clear-up together. We also find the country we “head to” each week on a globe and talk about its location, accessibility, climate and food preferences. Our ethos is to encourage children to learn and appreciate other cultures through food. There are many recipes for little and big cooks on our website www.mixandmunch.com or follow us on Instagram at [mix_and_munch_cooks](#) to find out more!

Lioness Clubs - Tuesday

Clay Club

A fun club where you can build a variety of ceramic art projects. The girls will have the opportunity to work on projects over several weeks to create more complex pieces of clay work. A perfect club to support the girls' fine motor skills and imagination.

Mix & Munch - Older

Mix & Munch are passionate about inspiring children to explore the wonderful world of food and flavours. Our classes focus on growing confidence & co-operation, encouraging teamwork and are fun and Foodabulous! We start each class with trying to guess the secret ingredient, cook and then clear-up together. We also find the country we "head to" each week on a globe and talk about its location, accessibility, climate and food preferences. Our ethos is to encourage children to learn and appreciate other cultures through food. There are lots of recipes for little and big cooks on our website www.mixandmunch.com or follow us on Instagram at [mix_and_munch_cooks](https://www.instagram.com/mix_and_munch_cooks) to know more!

Little Engineers

Little Hands London encourages creativity and innovation through hands-on engineering projects. We promote interactive learning, where children learn new concepts while engaging in fun activities using high-quality resources and materials. Children will discover different aspects of engineering, such as civil and structural, where they will build suspension bridges, buildings, towers, and much more! We will also create mechanical engineering projects to learn about simple machines such as levers and wheels, making catapults, cars, pneumatics, and more. We will explore electrical engineering with robotics, boats, fibre optic lamps, to name a few. All of the projects children work on will involve elements of woodworking, will focus on innovation, and will incorporate advanced technology. We will set challenges for children and hold competitions within the group to spark excitement and curiosity. Our activities encourage children to think outside the box and become confident pioneers of the future!

Digital Art and Animation

Unlock the realm of creativity with Digital Art and Animation in this club ran by BlueShift Club. Students will delve into the world of digital tools, bringing their imaginations to life through interactive art pieces and animations. Gain valuable digital skills while expanding your creative horizons.

Lioness Clubs - Wednesday

Code Cadets

Code Cadets Coding Clubs provide a hands-on approach to learning science, technology and engineering. By learning programming language, children gain practical experience with problem-solving, critical thinking, and computational thinking skills. Code Cadets' online coding platform are aligned with the National Curriculum for Key Stage 1 and 2. Our curriculum is designed to be both challenging and fun, allowing students to explore real-world applications of STEM concepts. As they progress, they'll learn to build increasingly complex Programming Language, mastering block-based coding and transitioning to text-based programming languages. As they advance, older pupils explore Python, Html and Javascript activities. Our pathway activities guide children through exciting project-based themes and challenges, allowing them to earn badges, prizes, and certificates along the way. Join us on a thrilling journey of discovery and innovation! Please copy the link for more information - <https://www.codecadets.co.uk/parentbro>

Rhythmic Gymnastics

We are delighted to announce that Coach Zuleika will be continuing her Rhythmic Gymnastics classes at Queens College Prep School from January. Coach Zuleika is a former National Champion in Group Rhythmic Gymnastics and a three-time British Group Championships Gold Medallist (2005, 2008, 2011). With an exceptional performance background and a passion for teaching young athletes, she brings energy, expertise and inspiration to every class.

She also features as the opening performer in our TEDx Talk/Performance, showcasing the artistry and athleticism at the heart of Rhythmic Gymnastics.

Watch here: <https://www.youtube.com/watch?v=DG0f5nUFo3Q&t=152s>

Sewing Club

Discover the art of sewing and needlework in the Sewing Club. Create a variety of projects, from simple tote bags to stylish pencil skirts, while learning how to set up and use a sewing machine and cut basic patterns. Unleash your creativity and acquire practical skills in this hands-on sewing adventure. Please note that termly charges apply to this club, guaranteeing a continuous exploration of sewing and design.

Lioness Clubs - Thursday

Chess Beginners and Advanced - London Chess Academy

Embark on a journey into the world of strategy and intellect with the Chess Club. It's never too late to learn the intricacies of the world's most popular game. Whether you are a beginner or looking to refine your skills, this course is tailored just for you. From understanding the chessboard and pieces to delving into advanced strategies, join us for a stimulating and strategic experience.

Little House of Science

Children are curious by nature, which creates the perfect platform for them to learn what science offers in the world. Every child is a budding scientist but needs the right direction to grow into one. Little House of Science introduces scientific concepts through fun and exciting interactive discussions, practical demonstrations and numerous hands-on science projects and experiments. The classes are ideal to further your child's scientific knowledge and assist them with what they are learning in the classroom.

QCPS Film Academy

Stories don't stop at the page...they ignite the imagination! This term, Ciné Schools unleashes students, empowering them to turn their favourite books into captivating short films. They run the whole show under the guidance of talented, award winning filmmakers and award winning educators. They build confidence, sharpen critical thinking, master teamwork, and solve problems like pros, skills that last way beyond the final cut. Every filmmaker earns certification accredited by The National Film and Television School. Where reading meets filmmaking and words become worlds!

Participation in this club requires the completion of a Contributor Release Form by a parent or guardian. This form provides consent for your child to appear on camera and permits their film to be submitted to film festivals, shared on social media platforms, and screened in public venues.
